July 20, 2018

To: NEDSRA Board of Trustees

State law requires that every general-purpose local government publish within six months of the close of the fiscal year, a complete set of audited financial statements. Attached please find the complete set of Northeast DuPage Special Recreation Association's (NEDSRA) audited financial statements for the fiscal year ended April 30, 2018.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based on a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

Sikich, LLP, have issued an unmodified opinion on Northeast DuPage Special Recreation Association's financial statements for the year ended April 30, 2018. The independent auditor's report is located at the front of the Financial Section of this report.

Management's Discussion and Analysis (MD&A) immediately follows the independent auditors report. It provides a narrative introduction, overview and analysis of the basic financial statements. The information in the MD&A complements this Letter of Transmittal and should be read in conjunction with it.

PROFILE OF THE GOVERNMENT ASSOCIATION

History and Mission

Northeast DuPage Special Recreation Association (NEDSRA) is a cooperative of eight park districts and three villages in northeast DuPage and west Cook Counties. NEDSRA was formed in 1976 to combine resources and avoid duplication among the member agencies in the provision of recreation for people with disabilities. Annually, NEDSRA serves over 3,400 distinct individuals, resulting in over 7,700 program registrations in 2017/2018. NEDSRA's primary mission is to serve as an integral partner with our member park districts and villages to positively impact individuals with disabilities through diverse recreation opportunities and community services. NEDSRA's main objective is to meet the unique social and recreation needs of individuals with disabilities, so they may increase their enjoyment of life and reach their highest level of independence.

While NEDSRA does not maintain records regarding income or ethnicity, we are confident a significant number of our clients fall into the low income and/or otherwise disadvantaged, high-risk youth categories, as several of our participants are wards of the State of Illinois and living within our community in independent living settings. To this end, NEDSRA has developed a *Fee Assistance Program*, which aggressively addresses the financial needs of our participants, and assures the availability of our services to all residents regardless of their financial difficulties. This fund has strong grassroots support and is funded from local service club and community contributions for this purpose. In 2017/2018 \$18,905 was awarded in fee assistance.

Mission to serve as an integral partner with our member park districts and villages to positively impact individuals with disabilities through diverse recreation opportunities and community services.

**Member Partner Communities: Addison ♦ Bensenville ♦ Butterfield ♦ Glendale Heights ♦ Itasca ♦ Lombard ♦
Medinah ♦ Oakbrook Terrace ♦ Schiller Park ♦ Villa Park ♦ Wood Dale**

Programs and Services Offered

NEDSRA enhances the lives of people with disabilities by providing a multitude of targeted recreation services. In fiscal year 2017/2018 we successfully offered over 600 programs including those for social development, leisure education, recreation, nature and sports skills. Services are available for individuals of all ages, from birth through seniors, whose disabilities may include, but are not limited to: autistic spectrum disorders, developmental delays, hard-of-hearing or deaf, learning disabilities, blind/visual impairments, emotional and behavior disorders, trainable intellectual disabilities, educable intellectual disabilities, physical disabilities, severe and profound compound disabilities, mental illnesses, multi-disabilities and youths at risk. Inclusion services and support are offered year-round as an integral part of NEDSRA's services for our member partners and their residents enrolling in partner programs.

In 2009, NEDSRA spearheaded an initiative to address the needs of veterans with a disability, returning home from active-duty. *Healthy Minds/Healthy Bodies*, developed in partnership with the Addison Park District, provides veterans with a free, one-year fitness center membership, personal training sessions and wellness opportunities in the community.

Legal Authority and Governance

NEDSRA and its member partners were authorized to enter into this cooperative agreement by Section 8-10b of the Illinois Park District Code and Section 11-95-14 of the Illinois Municipal Code and the laws amendatory thereof and supplementary thereto, and by Article VII Section 10 of the 1970 Constitution of the State of Illinois. The Association is governed by a Board of Trustees and the day-to-day business operations are managed by an Executive Director as stipulated in its Articles of Agreement and Bylaws. The Board of Trustees consists of one representative, usually an elected official or the Executive Director, from each member partner. Each member partner has one vote on all matters before the Board. NEDSRA has no tax levying authority and is dependent on the contributions from the member partners from their *Special Recreation Fund*. The formula for said contribution is also delineated in the Articles of Agreement for the Association as determined by the Board of Trustees and affirmed by the member partners.

The Board of Trustees establishes all major policies including, but not limited to: budgets, capital outlay, and long-range/strategic plans. A draft of the annual budget, with the capital plan and any related studies and plans, is presented to the Board of Trustees in March for review. If there are questions or concerns, they are addressed in the final budget, which is presented for the Board's review and approval in April/May of each year, prior to the beginning of the new fiscal year. The Financial Management and General Operations Policy was revised and approved by the Board of Trustees in November 2016. All disbursements are presented to the Board of Trustees for review and ratification at the regularly scheduled Board meetings. The Board meets a minimum of eight times per year.

Agency Accomplishments

NEDSRA has completed 41 years of service. In 2017/2018, the agency received \$232,180 grant from Illinois DCEO, for which staff worked diligently to complete all compliance and report forms requested by the state.

Conclusion

NEDSRA continues to grow, bringing new developments in programs, marketing, fund-development and administrative initiatives. The NEDSRA Board of Trustees and staff remain committed to their responsibilities to the individuals that NEDSRA serves and continued service their communities.

Respectfully submitted,

Rick Poole, CPRP

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Northeast DuPage Special
Recreation Association
Addison, Illinois

We have audited the financial statements of the governmental activities and the major fund of the Northeast DuPage Special Recreation Association (the Association) as of and for the year ended April 30, 2018, and the related notes to financial statements, which collectively comprise the Association's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Northeast DuPage Special Recreation Association as of April 30, 2018, and the respective changes in financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and other required supplementary information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Association's basic financial statements. The introductory section, supplemental schedule and supplemental financial information are presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplemental schedule is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental schedule is fairly stated in all material respects in relation to the basic financial statements as a whole. The introductory section and the supplemental financial information have not been subjected to the auditing procedures applied in the audit of the basic financial statements. Accordingly, we do not express an opinion or provide any assurance on them.

We also have previously audited, in accordance with auditing standards generally accepted in the United States of America, financial statements of the governmental activities and the major fund of the Association as of and for the year ended April 30, 2017 and we expressed unmodified opinions on those financial statements. The audit was conducted for purposes of forming an opinion on the financial statements as a whole. The 2017 comparative information included on the supplemental schedule are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was

derived from and relates directly to the underlying accounting and other records used to prepare the 2017 financial statements. The information has been subjected to the auditing procedures applied in the audit of those financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements from which it has been derived.

**GENERAL PURPOSE EXTERNAL
FINANCIAL STATEMENTS**

MANAGEMENT'S DISCUSSION AND ANALYSIS

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION

Management's Discussion and Analysis April 30, 2018

The Northeast DuPage Special Recreation Association provides the following overview and analysis of the Association's financial operations and attached financial statements for the fiscal year ended April 30, 2018. The following discussion is presented to enable the readers to more fully understand the accompanying audited financial statements. The Association is responsible for the fair and accurate presentation of all financial information as well as the internal controls and reporting procedures in creating the financial statements.

In management's opinion, the financial statements herewith reflect all material aspects of the Association's operations in an accurate, fair and complete manner. Readers are encouraged to consider the information presented here in conjunction with additional information furnished in the Letter of Transmittal, which can be found on pages iii - v of the report, and the Association's financial statements, which begin on page 4.

The financial statements are prepared in accordance with generally accepted accounting principles (GAAP) and follow the guidelines of the Governmental Accounting Standards Board (GASB). The major components of the financial statements are the overall Statement of Net Position and the overall statement of activities. The Statement of Net Position show the amount that total Association assets and deferred outflows exceed total liabilities and deferred inflows that may be considered the current value of net worth for the Association. The statement of activities reflects the overall operation of the Association for the past year, excluding revenues from taxes from members, interest and miscellaneous items. This demonstrates how effectively the Association operated on a business level model. In simple terms, it shows how the Association would fare as a business, without the support of member agency contributions and investment earnings.

The Association's total assets and deferred outflows exceeded total liabilities by \$655,377 and \$516,781 at April 30, 2018 and April 30, 2017, respectively. The Association had total capital assets net of depreciation of \$100,223 and \$114,525 at April 30, 2018 and April 30, 2017, respectively.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION

Management's Discussion and Analysis April 30, 2018

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the Association's basic financial statements. The basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains supplementary financial information in addition to the basic financial statements themselves.

Government-Wide Financial Statements. The government-wide financial statements are designed to provide readers with a broad overview of the Association's finances, in a matter similar to a private-sector business.

The Statement of Net Position presents information on all of the Association's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Association is improving or deteriorating.

The Statement of Activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the Association that are principally supported by intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). All of the Association's activities are considered governmental activities.

The government-wide financial statements can be found on pages 4 and 5 of this report.

Fund Financial Statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Association, like other local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The fund financial statements provide reporting for the Association's operations at a fund level. A fund is a group of related accounts established for specific purpose to maintain the control of the resources for that purpose. The Association utilizes fund accounting that reports operations categorized by each of their purposes. There are three types of funds: governmental, proprietary and fiduciary. The Association has one governmental fund, which is the General Fund.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION

Management's Discussion and Analysis April 30, 2018

Overview of the Financial Statements – Continued

Governmental Funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the Association's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate the comparison between governmental funds and governmental activities.

The Association adopts an annual appropriated budget for its General Fund. A budgetary comparison statement for these funds has been provided for the General Fund to demonstrate compliance with this budget.

The basic governmental fund financial statements can be found on pages 6 through 9 of this report.

Notes to the Financial Statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

The notes to the financial statements can be found on pages 10 through 26 of this report.

Other Information. In addition to the basic financial statements and accompanying notes, this report also presents a detailed schedule of expenditures in the General Fund – Budget and Actual.

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Association, assets and deferred outflows exceeded liabilities and deferred inflows by \$655,377 at the close of the most recent fiscal year.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION

Management's Discussion and Analysis April 30, 2018

Government-Wide Financial Analysis – Continued

April 30, 2018

	2018	2017
Current and Other Assets	\$ 1,997,465	1,785,312
Capital Assets	100,223	114,525
Total Assets	<u>2,097,688</u>	<u>1,899,837</u>
Deferred Outflows of Resources	<u>354,746</u>	404,817
Current Liabilities	871,127	811,605
Noncurrent Liabilities	778,364	976,268
Total Liabilities	<u>1,649,491</u>	<u>1,787,873</u>
Deferred Inflows of Resources	<u>147,566</u>	-
Net Position		
Investment in Capital Assets	100,223	114,525
Restricted	106,868	111,650
Unrestricted	<u>448,286</u>	<u>290,606</u>
Total Net Position	<u><u>655,377</u></u>	<u><u>516,781</u></u>

The largest components of the assets are cash, cash equivalents and investments and receivables of \$1,997,465 and \$1,785,312 at April 30, 2018 and April 30, 2017, respectively) and capital assets (\$100,223 and \$114,525 at April 30, 2018 and April 30, 2017, respectively), which include the furniture and equipment, and vehicles. These items are depreciated over their useful lives.

The largest component of the total liabilities is due to the implementation of GASB Statement No. 68. GASB Statement No. 68 requires governments to include the IMRF net pension liability on the financial statements. The IMRF – Net Pension Liability represents \$748,155 of the total liabilities \$1,649,491 as of April 30, 2018.

NEDSRA maintains and segregates these funds for the member partners on an ongoing basis until such time as they receive a letter of direction from the member partner requesting the distribution of funds for the purpose, and as stipulated in their letter of direction/request. The distributions of these funds are brought before the Board of Trustees for approval at a public regularly scheduled Board of Trustees meeting.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION

Management's Discussion and Analysis April 30, 2018

Government-Wide Financial Analysis – Continued

The statement of activities shows the overall expenses and revenues for services the Association provided. Revenues are classified as either program revenues, which consist of charges for services and grants and contributions, or general revenues, which are primarily made up of contributions of tax assessments from its members, unrestricted investment earnings and miscellaneous items. The change in net position is total revenues less expenses. A decrease in net position does not necessarily mean poor performance, as planned usage of cash on hand or fund reserves will also be reflected here.

Revenues	2018	2017
Program Revenues		
Charges for Services	\$ 334,822	325,600
Fundraising/Grants and Contributions	395,259	451,542

Expenses		
Total Expenses	2,170,628	2,249,134
Change in Net Position	138,596	83,282
Net Position - Beginning	516,781	433,499
Net Position - Ending	655,377	516,781

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION

Management's Discussion and Analysis April 30, 2018

Financial Analysis

The financial analysis of the operations by fund including a comparison of actual to budget operations, allows for a greater understanding of the overall Association operations. The Association adheres to fund accounting to ensure and comply with all finance related legal requirements for special recreation associations. The Association's activity was all recorded within a General Fund. The fund financial statements exclude depreciation expense, which is also not a budgeted item.

The General Fund: The General Fund actual revenues were greater than expenditures by \$152,631. The net increase occurred in part to receiving the state DCEO grant. The Association expects to again receive the state DCEO grant in the upcoming fiscal year.

Capital Asset and Debt Administration

Capital Assets: The Association's investment in capital assets as of April 30, 2018 and April 30, 2017 amounts to \$100,223 and \$114,525 respectively (net of accumulated depreciation). This investment in capital assets includes furniture and equipment, and vehicles.

	2018	2017
Construction in Progress	\$ -	-
Furniture and Equipment	382,539	380,199
Vehicles	375,693	354,490
Total Cost	758,232	734,689
Less Accumulated Depreciation	(658,009)	(620,164)
Net Capital Assets	100,223	114,525

Additional information on the Association's capital assets can be found in Note 3 on page 17 and 18 of this report.

Request for Information

This financial report is designed to provide a general overview of the financial operations of the Association. Questions concerning any of the information in this report, or requests for additional information should be sent to the attention of the Executive Director, NEDSRA, 1770 W. Centennial Place Addison, IL 60101-1076.

NOTES TO FINANCIAL STATEMENTS

April 30, 2018

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Northeast DuPage Special Recreation Association (the Association) have been prepared in conformity with accounting principles generally accepted in the United States of America, as applied to government units (hereinafter referred to as generally accepted accounting principles (GAAP)). The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Association's accounting policies are described below.

a. Reporting Entity

The Association was formed in 1976 by 12 governmental agencies for the purpose of developing specialized recreation and education activities for children and adults who are physically, mentally or emotionally disabled, and to share the expense for such programs and services on a cooperative basis. Principal operations began with the 1977 summer activities.

Each member governmental agency is party to a cooperative agreement/contract herein after referred to as "the Articles of Agreement." These entities are required to contribute the funds collected based on the extensions of the rate by the DuPage County Assessor's Office. These funds are to be forwarded to the Association on a timely basis upon receipt and distribution by the member entities of these funds from DuPage County. Park districts and municipalities contribute to the Association voluntarily, as there are no statutes requiring their specific participation.

Park districts are given their authority to act through the enabling legislation stipulated in Chapter 105: 8-10-1, 105: 8-10-2 and 105: 5-8 of the Illinois Revised Statutes as amended, 1983 (often referred to as the "Park District Code"). Municipalities are given their authority to act through the enabling legislation stipulated in Chapter 24: 11-95-13 and 11-95-14 of the Illinois Revised Statutes as amended, 1983 (often referred to as the "Municipal Code").

There are presently eight Park districts and three municipalities as members in good standing of the Association. The Board of Trustees is comprised of one representative from each member entity, selected and duly appointed by the respective member entity. The Board of Trustees is notified in writing of any changes that take place in the representation of any member entity.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

a. Reporting Entity (Continued)

The Board of Trustees amended and restated its Articles of Agreement on September 13, 2006. Amendments to the Association's Articles of Agreement and Bylaws were introduced for the Board of Trustees' consideration that would address member unity and financial stabilization. The Articles of Agreement were subsequently approved by all of the member partners' governing Boards.

The funding formula was updated on May 8, 2013. For fiscal year 2014, if a Member Partner's 2012 EAV is greater than its 2011 EAV, then the amount of the Member Partner's annual contribution for the fiscal year will increase from the Member Partner's MPCB by a percentage equal to the percentage increase in the CPI-U for the 12-month period ending December 31, 2012 - i.e., by 1.70%. If a Member Partner's 2012 EAV is equal to or less than its 2011 EAV, then the amount of the Member Partner's annual contribution for the fiscal year will be equal to and will not increase from the Member Partner's MPCB.

For each fiscal year following 2014, if a Member Partner's EAV for the calendar year in which the fiscal year begins ("latest EAV") increases from the Member Partner's EAV for the previous calendar year ("previous EAV"), then the Member Partner's annual contribution will increase from the amount of its annual contribution for the previous fiscal year by a percentage equal to the percentage increase in the CPI-U for the 12-month period ending on the December 31 which preceded the fiscal year for which the Member Partners' annual contributions are being computed. If a Member Partner's latest EAV is equal to or less than its previous EAV, then the Member Partner's annual contribution for the fiscal year for which Member Partners' annual contributions are being computed will be equal to and will not increase from the Member Partner's annual contribution for the preceding fiscal year.

In determining the financial reporting entity, the Association complies with the provisions of GASB Statement No. 61, *The Financial Reporting Omnibus - an Amendment of GASB Statements No. 14 and No. 34*, and includes all component units that have a significant operational or financial relationship with the Association. The Association is considered a jointly governed organization of the members pursuant to GASB Statement No. 14. Based upon the criteria set forth in the GASB Statements No. 14 and 61, there are no component units included in the reporting entity.

b. Fund Accounting

The Association uses funds to report on its financial position and the changes in financial position. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts. Funds are classified into the following categories: governmental, proprietary and fiduciary. The Association has no proprietary or fiduciary funds.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

b. Fund Accounting (Continued)

Governmental funds are used to account for all the Association's general activities, including the acquisition or construction of capital assets and the servicing of general long-term debt. The General Fund is used to account for all activities of the Association.

c. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the activities of the Association. The effect of material interfund activity, if any, has been eliminated from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, if any, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function, segment or program are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include (1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment and (2) grants and shared revenues that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for the governmental fund.

The Association reports the following major governmental fund:

The General Fund is the Association's primary operating fund. It accounts for all financial resources of the Association, except those accounted for in another fund.

d. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

d. Measurement Focus, Basis of Accounting and Financial Statement Presentation
(Continued)

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Association considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a fund liability is incurred. However, debt service expenditures, if any, are recorded only when payment is due.

Investment income, operating fees and member services associated with the current fiscal period are all considered to be susceptible to accrual and are recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the Association.

The Association reports unearned/unavailable revenue on its financial statements. Unavailable revenues arise when a potential revenue does not meet both the measurable and available or earned criteria for recognition in the current period. Unearned revenues also arise when resources are received by the Association before it has a legal claim to them or prior to the provision of services, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the Association has a legal claim to the resources, the liability and/or deferred inflows of resources for unavailable/unearned revenue is removed from the financial statements and revenue is recognized.

e. Investments

Investments with a maturity of one year or less when purchased are stated at amortized cost. Investments with a maturity greater than one year when purchased are reported at fair value. Non-negotiable certificates of deposit, if any, are reported at cost.

The Association categorizes its fair value measurements within the fair value hierarchy established by GAAP. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs. The Association does not have any investments at fair value at April 30, 2018.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

f. Prepaid Expenses/Items

Payments made to vendors for services that will benefit periods beyond the date of this report are recorded as prepaid expenses/items using the consumption method.

g. Capital Assets

Capital assets are recorded as expenditures at the time of purchase. Capital assets, which include property, plant, equipment and infrastructure assets (e.g., parking lots and similar items), if any, are reported in the applicable governmental columns in the government-wide financial statements. Capital assets are defined by the Association as assets with an initial, individual cost in excess of \$2,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value or service capacity of the asset or materially extend asset lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Capital assets are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Furniture and Equipment	3-7
Vehicles	5

h. Compensated Absences

In accordance with GASB Interpretation No. 6, *Accounting for Certain Liabilities*, only vested or accumulated vacation leave including related Social Security and Medicare that is committed to be liquidated at April 30, 2018, is reported as an expenditure and a fund liability of the governmental fund that will pay it. Vested or accumulated vacation of governmental activities at the government-wide level is recorded as an expense and liability as the benefits accrue to employees. Sick leave does not vest upon termination or retirement and, therefore, no liability has been recorded for this.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i. Due to Member Agencies

The funds are amounts due to member agencies and are to be paid back to the member agencies on a project basis for ADA or the pension agreement upon request from the member agency.

j. Fund Balance/Net Position

In the fund financial statements, governmental funds can report nonspendable fund balance for amounts that are either not spendable in form or legally or contractually required to be maintained intact. Restrictions of fund balance are reported for amounts constrained by legal restrictions from outside parties for use for a specific purpose or externally imposed by outside entities. The restricted fund balances for vehicle replacement is from enabling legislation adopted by the Association. Committed fund balance is constrained by formal actions of the Association's Board of Trustees, which is considered the Association's highest level of decision-making authority. Formal actions include resolutions approved by the Board of Trustees. Assigned fund balance represents amounts constrained by the Association's intent to use them for a specific purpose. The authority to assign fund balance has been delegated to the Board of Trustees; however, this has not been authorized through a formal policy. Any residual General Fund balance is reported as unassigned.

Since no fund balance policy is in place, the Association's flow of funds assumption defaults to that described in GASB Statement No. 54. This prescribes that the funds with the highest level of constraint are expended first. If restricted or unrestricted funds are available for spending, the restricted funds are spent first. Additionally, if different levels of unrestricted funds are available for spending, the Association considers committed funds to be expended first followed by assigned and then unassigned funds.

In the government-wide financial statements, restricted net position are legally restricted by outside parties for a specific purpose. Net investment in capital assets represents the book value of capital assets less any long-term debt principal outstanding issued to construct capital assets.

k. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

1. Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets; deferred outflows of resources, liabilities; deferred inflows of resources; and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

2. DEPOSITS AND INVESTMENTS

Illinois Compiled Statutes (ILCS) and the Association's investment policy authorize the Association to deposits/invest in commercial banks, savings and loan institutions, obligations of the U.S. Treasury and U.S. agencies, obligations of states and their political subdivisions, credit union shares, repurchase agreements, commercial paper rated within the three highest classifications by at least two standard rating services and Illinois Funds.

It is the policy of the Association to invest its funds in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the Association and conforming to all state and local statutes governing the investment of public funds, using the "prudent person" standard for managing the overall portfolio. The primary objective of the policy is safety (preservation of capital and protection of investment principal), liquidity and yield.

The Illinois Public Treasurers' Investment Pool, known as The Illinois Funds, operates as a qualified external investment pool in accordance with the criteria established in GASB Statement No. 79, Certain External Investment Pools and Pool Participants, and thus, reports all investments at amortized cost rather than market value. The investment in The Illinois Funds by participants is also reported at amortized cost. The Illinois Funds does not have any limitations or restrictions on participant withdrawals. The Illinois Treasurer's Office issues a separate financial report for The Illinois Funds which may be obtained by contacting the Administrative Office at Illinois Business Center, 400 West Monroe Street, Suite 401, Springfield, Illinois 62704.

a. Deposits with Financial Institutions

Custodial credit risk for deposits with financial institutions is the risk that in the event of bank failure, the Association's deposits may not be returned to it. The Association's investment policy requires pledging of collateral for all bank balances in excess of federal depository insurance with the collateral held by an agent of the Association in the Association's name. Total funds exceeding the deposit insurance limits must have collateral provided as 110% of the fair market value of the net amount of the Association's funds on deposit at each financial institution.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

2. DEPOSITS AND INVESTMENTS (Continued)

b. Investments

Interest rate risk is the risk that changes in interest rates will adversely affect the market value of an investment. In accordance with its investment policy, the Association limits its exposure to interest rate risk by structuring the portfolio to provide liquidity. The Association's investment policy limits its exposure to interest rate risk by requiring that the investment portfolio remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands.

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. State law limits investments in commercial paper, corporate bonds and mutual funds to the top two ratings issued by nationally recognized statistical rating organizations. The Association's investment policy does not further limit investment choices besides those authorized under state statute. At year end, the Association's investment in Illinois Funds was rated AAA by Standard & Poor's.

Concentration of credit risk is the risk of loss attributed to the magnitude of the Association's investment in a single issuer. The Association's investment policy does not mitigate concentration risk.

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to the investment, the Association will not be able to recover the value of its investments that are in possession of an outside party. The Association's investment policy does not mitigate custodial credit risk for investments. The Association's investment in Illinois Funds is not subject to custodial credit risk.

3. CAPITAL ASSETS

Capital asset activity for the year ended April 30, 2018 was as follows:

	Balances May 1	Increases	Decreases	Balances April 30
GOVERNMENTAL ACTIVITIES				
Capital assets not being depreciated				
None	\$ -	\$ -	\$ -	\$ -
Total capital assets not being depreciated	-	-	-	-

Total capital assets being depreciated, net	<u>114,525</u>	<u>(14,302)</u>	<u>-</u>	<u>100,223</u>
GOVERNMENTAL ACTIVITIES				
CAPITAL ASSETS, NET	<u>\$ 114,525</u>	<u>\$ (14,302)</u>	<u>\$ -</u>	<u>\$ 100,223</u>

Depreciation expense was charged to functions of the primary government as follows:

GOVERNMENTAL ACTIVITIES	
Culture and recreation	<u>\$ 37,845</u>

4. LONG-TERM DEBT

During the year, the following changes occurred in governmental long-term liabilities:

	Beginning Balance	Additions	Retirements	Ending Balance	Current Portion
Compensated absences	\$ 41,615	\$ -	\$ 11,406	\$ 30,209	\$ -
Net pension liability	934,653	-	186,498	748,155	-
TOTAL	<u>\$ 976,268</u>	<u>\$ -</u>	<u>\$ 197,904</u>	<u>\$ 778,364</u>	<u>\$ -</u>

5. FUND BALANCE

The following is a description of fund balance restrictions, commitments and assignments as of April 30, 2018:

Restricted for Vehicle Replacement

The Board of Trustees implemented a policy establishing this reserve in 1977. In 1989, the policy was revised to allow for specific dollar amounts to be appropriated each year for replacement of each vehicle owned by the Association. In January of 1995, the policy was revised again to suggest these funds be generated by fund development and other cost saving methods. All efforts would be made to maintain the vehicle replacement schedule as adopted in 1989 and re-affirmed November 1, 2000. This schedule is reviewed and approved each year as part of the annual budget process.

The Association currently owns eight vehicles. Funds may be generated through local fund development initiatives. Specific service groups or grants may elect to pledge specific dollar amounts toward the replacement costs of these vehicles.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

5. FUND BALANCE (Continued)

Restricted for Special Olympics Boosters Club

The Association's Special Olympic Boosters Club has been in existence for seven years and has become an important aspect of the Association's service delivery system. The club members are parents and friends who are supportive of the children and adults who participate in the Association's Special Olympic programs and activities. They function as a support group, an advisory group and a fund raising group that allows our Special Olympic athletes to engage in more tournaments and competitions including attending state and regional games. This year they were successful in raising \$7,146 in direct support of these outstanding athletes.

Fund Balance Classifications

The following is a schedule of fund balance restrictions, commitments and assignments for special revenues as of the date of this report:

	Beginning Balances*	Revenues	Expenses	Ending Balances
General Fund				
Restricted				
Vehicle Replacement	\$ 99,406	\$ 15,777	\$ 22,786	\$ 92,397
Special Olympics Booster Club	12,244	7,146	4,919	14,471
	<u>\$ 111,650</u>	<u>\$ 22,923</u>	<u>\$ 27,705</u>	<u>\$ 106,868</u>
TOTAL				

The following is a schedule of fund balance classifications for the governmental fund as of April 30, 2018:

	General
Fund balances	
Nonspendable	
Prepays	\$ 2,659
Restricted	
Vehicle Replacement	92,397
Special Olympics	14,471

TOTAL FUND BALANCES	<u>\$ 1,126,338</u>

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

6. RISK MANAGEMENT

The Association is exposed to various risks related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and net income losses. Since 1986, the Association has been a member of the Park District Risk Management Agency (PDRMA), a joint risk management pool of park and forest preserve districts and special recreation associations through which property, general liability, automobile liability, crime, boiler and machinery, public officials' employment practices liability and workers' compensation coverage is provided in excess of specified limits for the members, acting as a single insurable unit. Losses exceeding the per occurrence self-insured and reinsurance limit would be the responsibility of the Association.

As a member of PDRMA's Property/Casualty Program, the Association is represented on the Property/Liability/Workers' Compensation Program Council and the Membership Assembly and is entitled to one vote on each. The relationship between the Association and PDRMA is governed by a contract and by-laws that have been adopted by resolution of the Association's governing body. The Association is contractually obligated to make all annual and supplementary contributions to PDRMA, to report claims on a timely basis, cooperate with PDRMA, its claim administrator and attorneys in claims investigation and settlement, and to follow risk management procedures as outlined by PDRMA.

Members have a contractual obligation to fund any deficit of PDRMA attributable to a membership year which they were a member.

PDRMA is responsible for administering the self-insurance program and purchasing excess insurance according to the direction of the Program Council. PDRMA also provides its members with risk management services, including the defense of and settlement of claims and establishes reasonable and necessary loss reduction and prevention procedures to be followed by the members.

On February 1, 1986, the Association became a member of the PDRMA Health Program, a health insurance pool of park districts, special recreation associations and public service organizations through which medical, vision, dental, life and prescription drug coverages are provided in excess of specified limits for the members, acting as a single insurable unit. The pool purchases excess insurance covering single claims over \$250,000. Until January 1, 2001, the PDRMA Health Program was a separate legal entity formerly known as the Illinois Park Employees Health Network (IPEHN).

Members can choose to provide any combination of coverages available to their employees and pay premiums accordingly.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

6. RISK MANAGEMENT (Continued)

As a member of the PDRMA Health Program, the Association is represented on the Health Program Council as well as the Membership Assembly and is entitled to one vote on each. The relationship between the member agency and PDRMA Health Program is governed by a contract and by-laws that have been adopted by a resolution of each member's governing body. Members are contractually obligated to make all monthly payments to the PDRMA Health Program and to fund any deficit of the PDRMA Health Program upon dissolution of the pool. They will share in any surplus of the pool based on a decision by the Health Program Council.

A large percentage of PDRMA's liabilities are reserves for losses and loss adjustment expenses, which are based on an actuarial estimate of the ultimate losses incurred.

7. CONTINGENT LIABILITIES

Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time; although, the Association expects such amounts, if any, to be immaterial.

8. RETIREMENT FUND COMMITMENTS

Illinois Municipal Retirement Fund

The Association's defined benefit pension plan, Illinois Municipal Retirement Fund (IMRF), provides retirement, disability, annual cost of living adjustments and death benefits to plan members and beneficiaries. IMRF is an agent multiple-employer pension plan that acts as a common investment and administrative agent for local governments and school districts in Illinois. The Illinois Pension Code establishes the benefit provisions of the plan that can only be amended by the Illinois General Assembly. IMRF issues a publicly available report that includes financial statements and supplementary information for the plan as a whole but not by individual employer. That report may be obtained by writing to the Illinois Municipal Retirement Fund, 2211 York Road, Suite 500, Oak Brook, Illinois 60523 or at www.imrf.org.

Plan Administration

All employees hired in positions that meet or exceed the prescribed annual hourly standard must be enrolled in IMRF as participating members.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
 NOTES TO FINANCIAL STATEMENTS (Continued)

8. RETIREMENT FUND COMMITMENTS (Continued)

Illinois Municipal Retirement Fund (Continued)

Plan Administration (Continued)

The plan is accounted for on the economic resources measurement focus and the accrual basis of accounting. Employer and employee contributions are recognized when earned in the year that the contributions are required, benefits and refunds are recognized as an expense and liability when due and payable.

Plan Membership

At December 31, 2017, IMRF membership consisted of:

Inactive employees or their beneficiaries	
currently receiving benefits	1
Inactive employees entitled to but not yet receiving benefits	8
Active employees	<u>15</u>
 TOTAL	 <u><u>24</u></u>

Benefits Provided

IMRF provides two tiers of pension benefits. Employees hired prior to January 1, 2011 are eligible for Tier 1 benefits. For Tier 1 employees, pension benefits vest after eight years of service. Participating members who retire at age 55 (reduced benefits) or after age 60 (full benefits) with eight years of credited service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1 2/3% of their final rate of earnings, for each year of credited service up to 15 years, and 2% for each year thereafter. Employees hired on or after January 1, 2011 are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating members who retire at age 62 (reduced benefits) or after age 67 (full benefits) with ten years of credited service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1 2/3% of their final rate of earnings, for each year of credited service up to 15 years, and 2% for each year thereafter. IMRF also provides death and disability benefits. These benefit provisions and all other requirements are established by state statute.

Contributions

Participating members are required to contribute 4.50% of their annual covered salary to IMRF. The Association is required to contribute the remaining amounts necessary to fund IMRF as specified by statute. The employer contribution rate for the calendar year ended December 31, 2017 was 16.80% of covered payroll.

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

8. RETIREMENT FUND COMMITMENTS (Continued)

Illinois Municipal Retirement Fund (Continued)

Actuarial Assumptions

The Association's net pension liability was measured as of December 31, 2017 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation performed as of the same date using the following actuarial methods and assumptions.

Actuarial valuation date	December 31, 2017
Actuarial cost method	Entry-age normal
Assumptions	
Price Inflation	2.75%
Salary increases	3.75% to 14.50%
Interest rate	7.50%
Cost of living adjustments	3.50%
Asset valuation method	Market value

For nondisabled retirees, an IMRF specific mortality table was used with fully generational projection scale MP-2014 (base year 2012). IMRF specific rates were developed from the RP-2014 Blue Collar Health Annuitant Mortality Table with adjustments to match current IMRF experience. For disabled retirees, an IMRF specific mortality table was used with fully generational projection scale MP-2014 (base year 2012). IMRF specific rates were developed from the RP-2014 Disabled Retirees Mortality Table applying the same adjustment that were applied for nondisabled lives. For active members, an IMRF specific mortality table was used with fully generational projection scale MP-2014 (base year 2012). IMRF specific rates were developed from the RP-2014 Employee Mortality Table with adjustments to match current IMRF experience.

Discount Rate

The discount rate used to measure the total pension liability was 7.50%. The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that the Association's contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the Association's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members.

NOTES TO FINANCIAL STATEMENTS (Continued)

8. RETIREMENT FUND COMMITMENTS (Continued)

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources
(Continued)

Illinois Municipal Retirement Fund (Continued)

\$52,869 reported as deferred outflows of resources result from the Association contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending April 30, 2019. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to IMRF will be recognized in pension expense as follows:

<u>Year Ending</u> <u>April 30,</u>	
2019	\$ 25,009
2020	25,010
2021	10,021
2022	8,291
2023	23,209
Thereafter	<u>62,771</u>
 TOTAL	 <u><u>\$ 154,311</u></u>

Discount Rate Sensitivity

The following is a sensitivity analysis of the net pension liability to changes in the discount rate. The table below presents the net pension liability of the Association calculated using the discount rate of 7.50% as well as what the Association's net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (6.50%) or 1 percentage point higher (8.50%) than the current rate:

	<u>1% Decrease</u> <u>(6.05%)</u>	<u>Current</u> <u>Discount Rate</u> <u>(7.50%)</u>	<u>1% Increase</u> <u>(8.50%)</u>
Net pension liability	\$ 1,020,707	\$ 748,155	\$ 531,006

NORTHEAST DUPAGE SPECIAL RECREATION ASSOCIATION
ADDISON, ILLINOIS
NOTES TO FINANCIAL STATEMENTS (Continued)

9. OTHER POSTEMPLOYMENT BENEFITS

The Association allows employees, who retire through the Association's pension plan disclosed in Note 8, the option to continue in the Association's health insurance plan as required by ILCS, but the retiree pays the full premium for the health insurance. This has not created an implicit subsidy as defined by GASB Statement No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, as the Association's health insurance plan is considered a community rated plan. In addition, the Association has no explicit subsidy as defined in GASB Statement No. 45.

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

April 30, 2018

BUDGETS

The Association's Board of Trustees and staff have participated in several thorough processes that resulted in a very comprehensive budget, maintaining financial stability and strength, while addressing many diverse issues.

The process includes, but is not limited to the following:

- a. Approval of Mission and Vision Statement.
- b. Review and approve Strategic Directions and Initiatives.
- c. Direct staff to draft a budget based on Initiatives and Financial Stability Plan.
- d. Study alternatives for objectives and funding.
- e. Review and approve funding alternatives and restructuring of specific fund accounts, financial practices and personnel.
- f. Draft a balanced budget for review by the committee structure and presentation to the Board of Trustees.

The budget process requires that the Association continue to seek a variety of sources of funding, both locally and at the state level. In formulating the budget, the Association is guided by the Mission and Vision and Values, Strategic Directions and Key Initiatives.

The budget process follows the following calendar:

October	Staff begins developing budget projections.
March	Review of proposed budget at March Board of Trustees meeting.
April	Budget is presented to Board of Trustees for approval.

Budgets are adopted on the cash basis, which is not materially different than GAAP. All budget authority lapses at the end of the year. There were no budget amendments made during the current year. The level of budgetary control is at the fund level.

**SCHEDULE OF EMPLOYER CONTRIBUTIONS
ILLINOIS MUNICIPAL RETIREMENT FUND**

Last Three Fiscal Years

FISCAL YEAR ENDED APRIL 30,	2016	2017	2018
Actuarially determined contribution	\$ 139,783	\$ 137,565	\$ 140,120
Contributions in relation to the actuarially determined contribution	139,783	137,565	140,120
CONTRIBUTION DEFICIENCY (Excess)	\$ -	\$ -	\$ -
Covered-employee payroll	\$ 919,881	\$ 852,122	\$ 787,588
Contributions as a percentage of covered-employee payroll	15.20%	16.14%	17.79%

Notes to Required Supplementary Information

The information presented was determined as part of the actuarial valuations as of December 31 of the prior fiscal year. Additional information as of the latest actuarial valuation presented is as follows: the actuarial cost method was entry-age normal; the amortization method was level percent of pay, closed and the amortization period was 27 years; the asset valuation method was five-year smoothed market; and the significant actuarial assumptions were an investment rate of return at 7.50% annually, projected salary increases assumption of 3.75% to 14.50% compounded annually and postretirement benefit increases of 3.50% compounded annually.

Ultimately, this schedule should present information for the last ten years. However, until ten years of information can be compiled, information will be presented for as many years as is available.
