General Information

Suggested Ages & Abilities

NEDSRA offers most programs and special events to targeted age and ability groups. Anyone wishing to participate in a program that does not appear to match his or her specific age or ability is encouraged to contact the NEDSRA office for additional information.

Putting People First

No eligible participant shall be denied equal access to programs, activities, services or benefits on the basis of race, gender, creed, national origin or disability, or be limited in the exercise of any right, advantage or opportunity.

Resident/Non-Resident Policy

NEDSRA programs are supported by user fees, grants and donations, and subsidies from 11 partner communities through tax dollars. As a result, individuals residing within NEDSRA's 11 partner communities are eligible for resident rates and are ensured registration priority. Non-resident registrations will be processed after the registration deadline. Additionally, residents qualify for door-to-door transportation when applicable and may qualify for fee assistance.

Program Fees

Each program description in the brochure lists a registration fee.

- All participants residing in one of NEDSRA's partner communities are eligible for the resident fee, "Res. Fee".
- Participants residing outside of one of NEDSRA's partner communities are considered non-residents. Non-resident fees are 50% more than the resident fee.

Brochure Changes/Error Disclaimer

We apologize for any errors and will make every effort to advise participants of any program changes and corrections as quickly and efficiently as possible.

Program Cancellations

NEDSRA reserves the right to cancel any program, activity or event which does not meet minimum enrollment. Should a program be cancelled by NEDSRA, a full refund will be issued.

Satisfaction Guaranteed

We feel it is our responsibility to provide you with the best, most enjoyable and highest quality recreation services possible. If your experience with NEDSRA is not 100% satisfactory, please let us know and we will remedy the situation.

Inclusion Services

Not every person with a special need will require NEDSRA programming. In some cases it will be appropriate for NEDSRA staff to work in cooperation with our member partners to advise and or assist residents wishing to participate in recreational programs offered by their local park district or recreation department. We encourage that inclusion be considered as a recreational option.

- One-to-one consultation
- In-service training with park district and village recreation staff
- Assistance with the aid of leisure buddies
- Provisions of community resources

These services are provided to residents at no cost. We will do everything possible to make your inclusion experience a success.

Financial Assistance

We believe all residents, regardless of financial limitations, should have access to NEDSRA's programs. We offer a financial assistance program so that financial need is not an obstacle to having fun. Partial assistance is available for a maximum of two programs per season. For information, contact our registrar at 630-620-4500.

A participant's local park district or recreation department may offer additional financial assistance. Please contact their customer service directly for more information.

Transportation Services

Depending on registrations received, pickup and drop-off locations may be subject to change or cancelled if a two-person minimum is not met. Be sure to mark on your registration form if you will be using a pickup point.

A \$10.00 fee will be charged for every 15 minutes, or portion thereof, that a participant is picked up late. A \$10.00 fee will be charged when a participant does not report an absence in a timely manner and a NEDSRA vehicle is sent to the participant's location for door-to-door transportation services. A notice will be sent to you indicating a fee being charged to your account. Continued tardiness at pickup times, or lack of cancellation for door-to-door routes, may lead to suspension from, or removal of, NEDSRA transportation services.

Adult Participants:
Please do not forget to bring
a photo ID to ALL NEDSRA
programs & events!

NEDSRA Behavior Code

The following guidelines have been developed to make NEDSRA's programs safe and enjoyable for everyone. Additional rules may be developed for particular programs as deemed necessary by staff. Staff, participants and parents shall:

- Show respect to all participants, staff and parents
- Refrain from using foul language
- Refrain from causing bodily harm to other participants, staff or parents
- Bullying behavior of any nature will not be tolerated
- Demonstrate respect for equipment, supplies and facilities
- Represent NEDSRA in a manner that is consistent with the goals, objectives and ethics of the Association

NEDSRA reserves the right to dismiss a participant, staff, volunteer or parent if it is in the best interest of the Association. Each situation will be evaluated on its own merit.

Promptness Is Appreciated

We ask that participants arrive no earlier than 15 minutes prior to the start of a program or scheduled pickup time, and that they are picked up promptly at the end of a program or scheduled drop-off time.

Program Fee Refund

If a participant withdraws from a program, a full refund is issued if requested two (2) days prior to the program's start. If the refund is requested due to unforeseen circumstances such as hospitalization, relocation, or death in the family, a refund may be approved beyond this time frame. In these situations, written documentation may be required.

Refunds will not be granted when missing a program due to a planned vacation or as a result of the common cold, flu, etc. Refunds may be issued as a credit toward future programs or in the form of a check. If a program involves the purchase of tickets, contracted services, or non-returnable items, the cost of these may be deducted from the refund amount.

Illness Policy

NEDSRA has the right to refuse any participant who is ill or has a fever. If a participant becomes ill during a program, a parent/guardian or emergency contact will be notified and asked to pick up the participant.

Communicable Disease

For the protection and safety of both employees and participants, NEDSRA maintains specific policies and procedures on individuals with communicable diseases. These policies are available for review by the public at NEDSRA's offices.

Inclement Weather

Programs may be cancelled due to severe or prohibitive weather. All participants will be notified if a program is cancelled. A maximum of one session per program will be rescheduled if possible. If a make-up session is not possible, a prorated refund will be issued.

Your Safety Is Important

To ensure the safety of our participants, we appreciate your adherence to the following guidelines:

1. NEDSRA staff is responsible for the safety of program participants during designated program times. Please adhere to scheduled drop-off and pickup times.
2. Participants enrolled in NEDSRA programs will not be released to anyone other than a parent, guardian or family member without prior written consent from the parent/guardian.

Mandatory Waiver

Norwalk Adaptive Special Recreation Association is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. NEDSRA continuously strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for programs must recognize that there is inherent risk of injury when choosing to participate in recreational activities.

You are solely responsible for determining if you or your child/ward are physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered any illness, injury or impairment, to consult a physician before undertaking any physical activity. NEDSRA carries an accident coverage on participants and the cost of medical attention and/or hospitalization will be the sole responsibility of the individual in question and/or their parent or guardian.

Waiving of Fault

Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of minor injury when participating in any recreational activities. Not all accidents and damages can be foreseen. Participants must understand that certain risks, damages and injuries due to acts of God, equipment wear/tear, slipping, falling, equipment failure, failure in supervision, provider defects and all other circumstances inherent to recreational activities exist. In this regard, it must be recognized that it is impossible for NEDSRA to guarantee absolute safety.

Authorization for Emergency Medical Treatment

I authorize NEDSRA to arrange emergency medical treatment, in the event of injury to my child or me and in the event that I or my designated emergency contact cannot be reached by NEDSRA.

Waiver and Release of all Claims and Assumption of Risk

Please read this form carefully and be aware that in signing up and participating in this program, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your child/ward might sustain as a result of participating in any and all activities connected with and associated with this program (including transportation services, where provided).

When registering by fax, it is understood that the facsimile registration document (including waiver and release of all claims) shall substitute for and have the same legal effect as the original form. I recognize and acknowledge that there are certain risks of physical injury to participants in this program, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my child/ward or I may sustain as a result of said participation. I further agree to waive and to release all claims I or my child/ward may have for access to one or any child/ward or as a result of participating in this program against NEDSRA, including its officials, agents, subcontractors and employees (hereinafter collectively referred to as "NEDSRA").

I do hereby fully release and forever discharge NEDSRA from any and all claims for injuries, damages, or loss that my child/ward or I may have or which may accrue to me or my child/ward and relating out of contractual duty, or in any way associated with this program.
