Memo from the Director:

Good afternoon NEDSRA families,

The roof replacement at NEDSRA and Addison Park District has officially begun the week of June 3rd.

We received a revised schedule from the roofing company indicating office and program space throughout NEDSRA will be shut down through the end of July. If your participant is registered for a program originally scheduled to be held at NEDSRA, you will receive notice regarding these programs directly from the NEDSRA staff responsible for that program. NEDSRA will make all attempts to limit the amount of disruption to programs and transportation schedules. We will continue to provide updated information as soon as it becomes available to us.

We look forward to a new roof and AC in the gym and appreciate your understanding and patience during this project.

You are encouraged to contact us if you have any questions by calling 630-620-4500 or emailing nedsra@nedsra.org.

Jerry Barton

Executive Director

Mission to serve as an integral partner with our member park districts and villages to positively impact individuals with disabilities through diverse recreation opportunities and community services.
