Memo from the Director:

The roof replacement at NEDSRA and Addison Park District officially began this week. There will be crews and equipment in the parking lot throughout the summer. Please be extra cautious driving in the lot and give yourself extra time to find parking.

This project may lead to temporary changes to program schedules, or locations, with short notice. NEDSRA will contact you with any changes and do our best to minimize disruptions to programs. We look forward to a new roof and AC in the gym, and ask for your patience throughout the project.

You are encouraged to contact us if you have any questions by calling 630-620-4500 or emailing [nedsra@nedsra.org](mailto:nedsra@nedsra.org).
